The bankruptcy is in regards to another building, but it was filed, and then rescinded. Nothing to worry about. Building looks great, and we should have the tco w/in the next few weeks, and then we will begin to schedule the closings. Hope all is well. I know you're anxious to move in...You are going to be very happy w your new home, and we're happy to have you.

Sincerely,

Hey Sean-Hope all is well with you. How is the building progressing? I read some articles about a bankruptcy. Does this effect us? When will we close? Thanks. Rick
